Dates for your Diary

• Friday 4th September '15 "Avachat" 10am to 11.30am
--

First meeting of "Avachat" will be held at **Springwood Sports (Bowling) Club**, Macquarie Rd, Springwood. This venue has been chosen as there is comfortable casual seating just away from the Restaurant and Bar areas; giving easy access to morning tea as required. Additionally all Linden residents live the required distance (8km) from the club so there are no problems signing in.

"Avachat" is meant for Linden residents (with a little unstructured time) to renew acquaintances, to catch up on past conversations, to meet new residents to develop some new friendships and networks.

Should only 10 to 20 people attend; this would be a successful start for "Avachat".

So please consider attending to "catch up & avachat" !

(As only 4 families replied to the "Avachat" email address, the usual form of communication via this Newsletter is being used!)
