## ***Badgerys Creek Airport Environmental Impact Statement***

<http://westernsydneyairport.gov.au/resources/deis/index.aspx>

Check flight paths and noise envelopes. Should Linden have a position on the proposed airport?

### **Extra Seat in the Park in the shade**

LCA is working with our ward councillors to acquire another seat in the park located in a shady area, as existed in the past.

### **40 km/h Speed Limit**

Two or three residents are needed to work with our ward councillors to help formulate criteria for a 40 km/h speed limit in Linden.

Let's know if you can help.

### **Take Care on Burke Road**

There have been some close calls between pedestrians and cars on Burke Road recently.

Pedestrians use the road day and night to access the railway station so please beware.

If you are driving along Burke Road please watch out and mind your speed.

Pedestrians please ensure you can be seen.
