| November 16 | Bushcare work afternoon |
| November 20 | Members meeting |
| December 21 | Bushcare work afternoon |
| December | Family Christmas Party – date to be confirmed |

Can you spare just 3 hours a year to help the bushland of Linden?

That's all it would take to help make a big difference to the bush in Linden. If everyone could come just once a year we could achieve so much more in the fight against weeds. This would also help your own property as it reduces the chances of weeds being spread on to your land too.

Our next Bushcare day will be a big planting day. It's a great opportunity to come along and help make a big difference that you can see and find out what it's all about.

Bushcare basics:

- Next Bushcare day Sunday 18 May
- Everyone is welcome
- We have great afternoon teas!
- Meet at the Park on Sunday 18 May
- 1:30 – 4:30pm
- Training and equipment provided

Linden Residents Recommend 40 - update

You may have noticed that the 'Linden Residents Recommend 40' signed were put up briefly but have now been removed. They have been removed by council as they cannot be displayed on power poles. They are also not allowed to be displayed on property fences so it is back to the drawing board for the committee. We will keep everyone updated on this initiative.

Welcome to Linden for new residents afternoon tea

There is a welcome afternoon tea planned for new and 'old' residents of Linden in June. This is a great chance to come along and meet your new neighbours and have a catch up with those you already know.

We will circulate a reminder flyer with date soon so keep an eye out in your letterbox. It will be a Sunday afternoon in June.

Have you checked out our website?
